Dear Lord Sinclair

Ref: Establishing Los Angeles Embassy to Significant Religious Object(s) – Clan Sinclair

I wish to inform his Lordship that August 2025 marks the 20th anniversary as to commencement of a Rastafarian allied studios project in the town of Lagoa da Conceição, Ilha Santa Catarina, Brazil. Where funds from a Hong Kong and Shanghai Corporation credit card facilitated studios project support of a successful archaeological expedition, of which multiple excavation sites are declared in the dossier *Grail Technologies* available for review at www.apollobath.org – link – *Crown Office and Embassy*.

My reasons for contacting his Lordship are rooted in my paternal grandfather the Sinclair clansman Dr Robert Parker (deceased around about 1957 and pictured below) whose mother was named Jean Sinclair and belief that Ilha Santa Catarina was destination for the Sir William Henry Sinclair lead expedition that embarked the Orkneys in 1398. Ilha Santa Catarina being identified as Tir Na Nog the Celtic Land of Forever Young.

The Templar Treasures caravan of technology having journeyed from Siberia where for the best part of a millennium it empowered the Tartars and Moors (Mortar) construction of a free energy grid (Cathedrals and Star Forts). The bottomless pit excavation site at the Celtic sacred centre of Ilha Santa Catarina presented as an entrance to a Saxon kingdom of Middle Earth and tomb to a Siberian Shaman and his horse. This ancient temple site a graveyard to many of the expedition party's Norsemen, brave hearted survivors of which returning to the British Isles and burying the Holy Grail (nuclear fusion powered Cauldron of Dagda) within proximity of Yorkshire's Thornborough Henge.

To the Vikings, the Pleiades were Freyjas hens and their name in many old European languages compares them to a hen with chicks. In some rural parts of France the star group was called *la poussiniere* which translates to chicken coop. Alcyone – the central principal star as mother hen. Freya the Norse goddess replaced by the Christian Mary.

Persevering to establish the *Los Angeles Embassy to Significant Religious Object(s)* I am emphasising Clan Sinclair historical Pleiadian alliances and promotion of the clan motto *Commit Thy Work To God (Jah Rastafari)*, guidance provided by Andrew Sinclair's publication *Battle of the Anunnaki/ Pleiadian Gods* and invite your review of dossiers *The Anunnaki Conquest of the Free World* vols A, B, C & D. Due to their content vols B & C have not been released into the public domain but together with most recent presentation *Jupiter Moon and Dismantling the Deep State* (updated following inauguration of Pope Leo XIV) are available on enclosed USB pen drive folder <Establishing Los Angeles Embassy/Restricted>.

This letter of introduction to you shared with the Masonic Lodge of Johannesburg; the Chief of Cambridgeshire Police; the Scottish National Party and the Chinese government care of their Edinburgh Consulate, see folder <Letters of Introduction July 2025>. Previous letters of introduction to these parties and others provided in folder <Letters of Introduction>, inviting your review of family matters presented to the Church of England. The issue of a secure database has been raised in my first letter of March 2025 to the Secretary of State for Defence MP John Healey <Letters of Introduction/British Government>.

Hope to make your acquaintance.

Yours sincerely

Graeme Parker
