November 2025

Dear Jon Randall

Ref: Establishing Embassy to Significant Religious Object and Grail Squadron Launching

As third formal presentation to the Church of England, following the inauguration of Pope Leo XIV in May and previous presentation of March 2025, I wish to invite your review of revised dossier supplement *Battlestar Galactica and the Anti-Rockefeller Agenda* available at www.apollobath.org – link – *Crown Office and Embassy* and on enclosed USB pen drive folder <Establishing Los Angeles Embassy> and also your review of revised dossier supplement *Jupiter Moon & Dismantling The Deep State* available on USB pen drive folder <Establishing Los Angeles Embassy/Restricted>. This presentation intended to be shared with :- (USB pen drive folder <Letters of Introduction November 2025>)

- Lord Malcolm Ian Sinclair Earl of Caithness
- Families Windsor, Bourbon Anjou and Trump
- The Masonic Lodges of Huntingdon and Johannesburg
- The Scottish National Party and the governments of China and Jamaica
- Cambridgeshire Police Chief Constable Nick Dean

Previous letters intended for the Church of England are archived in folder <Letters of Introduction/Church of England>.

My first presentation to you of April 2024 introduced the proposed cause of muscle paralysis disease The Wormwood as prophesised:-

Holy Bible - Revelations 8:10

"The third angel sounded his trumpet and a great star blazing like a torch, fell from the sky on a third of the rivers and on the springs of water - The name of the star is Wormwood. A third of the waters turned bitter, and many people died from the waters that had become Wormwood."

For as long as Owl could remember there was a Flower Princess who fed the Bees and their Sweet Honey production.

The Electric City's culture had convinced farmers that exploiting the soil was the right thing to do...

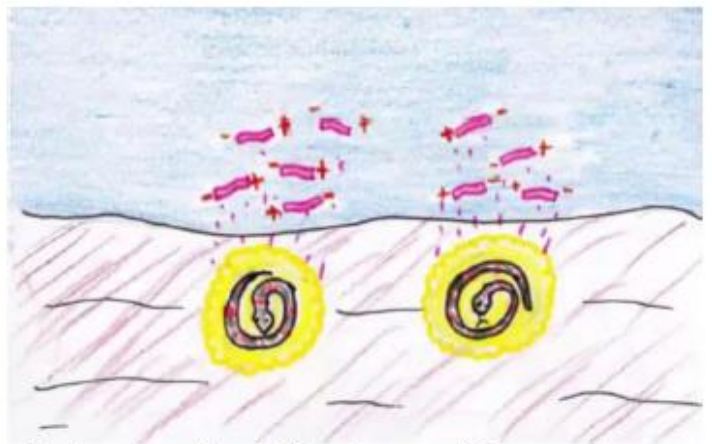

But when it rained fertilizers containing Nitrates, Phosphates and Titanium ran off the fields into the rivers and lakes.

These contaminants encouraged Algae growth on the water surface preventing sunlight reaching other plants which then died. Bacteria broke down the dead plants and used up the oxygen in the water, leaving the rivers and lakes stagnant and lifeless.

When a Star fell upon the Waters, a Cosmic Serpent buried itself in the sludge below the rivers and lakes.

The Serpent seeding a lifeform known as "Wormwood", a worm the size of a Neuron.

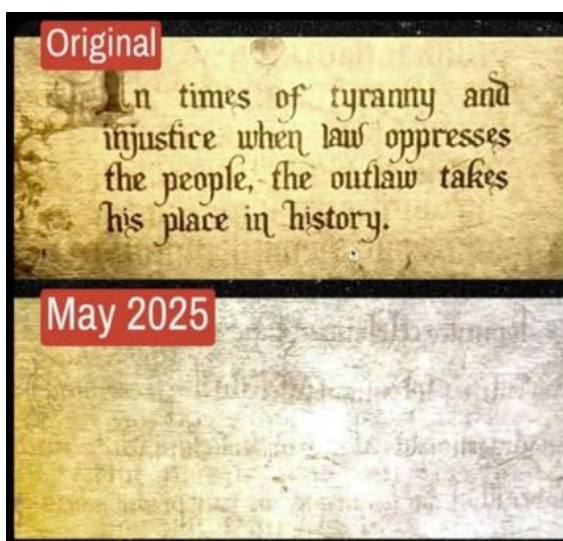

Further presentation of The Wormwood is available in USB pen drive folder <Letters of Introduction/British Government/Wormwood>.

Grail Rock and fragment in Lightsaber used to create 'Arcs of Consciousness'

During 2007 while residing under the Arcs of Consciousness provided by Grail rock on Brazil's Ilha de Santa Catarina I was informed that I was first infected with the Wormwood on my arriving to live at RAF Wyton as a three year old in 1973 and that one form of curing is application of hair gel to the testicles.

The Protocols of the Learned Elders of Zion

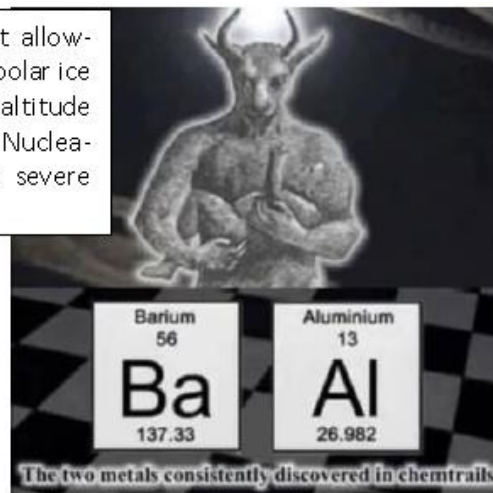

Protocol I	The Basic Doctrine
Protocol II	Economic Wars
Protocol III	Methods of Conquest
Protocol IV	Materialism Replace Religion
Protocol V	Despotism and Modern Progress
Protocol VI	Take-Over Technique
Protocol VII	World-Wide Wars
Protocol VIII	Provisional Government
Protocol IX	Re-education
Protocol X	Preparing for Power
Protocol XI	The Totalitarian State
Protocol XII	Control of the Press
Protocol XIII	Distractions
Protocol XIV	Assault on Religion
Protocol XV	Ruthless Suppression

My family re-located to RAF Brampton on the other side of Huntingdon to RAF Wyton in 1974 but by then I had already been made aware of Huntingdon from a Robin Hood book telling me the tale of the Earl of Huntingdon. Fifty one years later in the United States, Netflix and Amazon Prime viewers wishing to watch Ridley Scott's 2010 version of the 12th century English folk lore are deprived introductory text: 'In times of tyranny and injustice when law oppresses the people, the outlaw takes his place in history', Netflix and Amazon Prime are being accused of censorship or maybe they are following 'The Protocols of the Learned Elders of Zion'?

Keir Starmer's government cutting winter fuel payment allowances for pensioners coinciding with the rapid melting of polar ice due to the Sun having dropped. Implementing high altitude chemtrail spraying 'Stratospheric Aerosol Transport and Nucleation' (**SATAN**) and mobile HAARP technology to create severe weather conditions.

The photo below was taken in 2019 over Richmond park and shows chemtrails forming the Sigil of Lucifer.

Informs how absorption of Chemtrail compounds Barium and Aluminium detract conscious ability to connect to God's frequency. Is this an ongoing conquest by Satan on the human mind that also features fluoride in drinking water, glyphosate in foods and WiFi ?

Double jabbed for Graphene Oxide
WiFi brain receiver implants and Moses with horns receiving the word of God - YHWH.

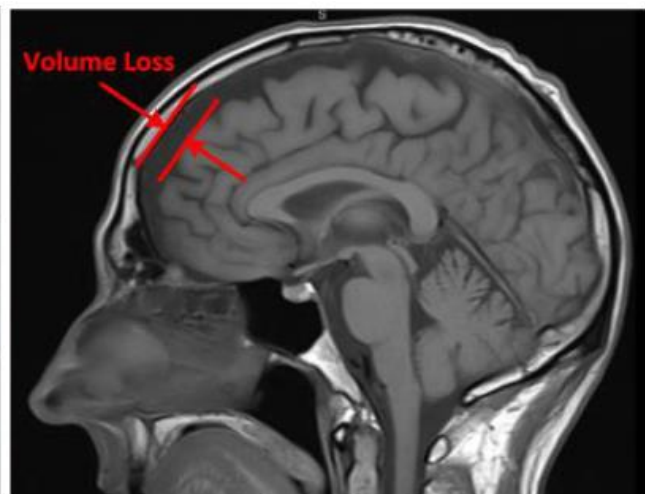

September 2010 on attending pre-arranged appointment with Brazilian Federal Police with intention of updating a statement made at request of the British Foreign Office eighteen months earlier, I was abducted and incarcerated in a secure psychiatric hospital ward enforcing a rule of forced medication for all inmates/ patients.

My politely and calmly refusing any form of medication resulted in an act of medical experimentation by a Jewish doctor employed by a Roman Catholic mission. Experimentation caused approximately three quarters of inch shrinkage to my cerebrum, excess cerebrospinal fluid, damage to eyesight and also pancreas. See document *Advocacy Preparation* in USB pen drive folder <Letters of Introduction/British Government>.

My current state of mind is that the heavy metal compounds of the British Government's Stratospheric Aerosol And Nucleation (SATAN) Chemtrail scheme are accelerating Mother Nature's reaction of bringing forth parasitic worms the size of a neuron - **The Wormwood**. An effect British Government has probably not planned for and I wish to invite your review of video *Chemtrails and the Wormwood – a Heavy Metal End* which is sequel video to *The Golden Dolphin and the Wormwood* both available in USB pen drive folder <ApollobathTV/Historical>. I wish also to invite your review of formal letter to my godfather Group Captain Maurice Arnold (USB pen drive folder <Letters of Introduction/Masonic Lodges and Armed Forces>) whose piloting career featured flying Canberra's out of RAF Wyton. Flying machines also feature in dossier *Establishing Embassy – Camaialot A Chapter 9. Return of the Jedi's Flying Boats* and dossier *Establishing Embassy – Grail Technologies Chapter 10. Iguacu Falls, a Terraforming Dome and the Grail Squadron*.

I have recently embarked on my own piloting career through commencing lessons for a Private Pilot License with FlyNqy flying school Newquay and am seeking support from the **Church of England** in launching a **Rogue Grail Squadron** with intention to defeat the forces of **Satan**. Potential pilots from under privileged background recruited through proposed presentation of the **Sword in the Stone** as a sporting trophy in competition format *As Surfistas da Roda – Surfers of the Wheel* <ApollobathTV/As Surfistas da Roda>.

Yours faithfully,

Graeme Parker
