Dear Secretary to the Masonic Hall of Huntingdon

This first correspondence to the Masonic Hall of Huntingdon intended to be shared with:-  
(USB pen drive folder <Letters of Introduction November 2025>)

- Lord Malcolm Ian Sinclair Earl of Caithness
- Families Windsor, Bourbon Anjou and Trump
- Masonic Lodge of Johannesburg
- The Scottish National Party and the governments of China and Jamaica
- Cambridgeshire Chief Constable Nick Dean
- The Church of England

As an introduction of affairs to the Huntingdon Masonic Hall here follows a repeat of the opening to my first letter intended for MP Jonathon Djangoly of June 2019 – archived in enclosed USB pen drive folder <Letters of Introduction/British Government - MP for Huntingdon Jonathon Djangoly 1> :-

*'My family have resided in your Huntingdonshire constituency since my father's 1973 posting to RAF Wyton and Brampton as a Photographic Interpretation Officer, and I was educated in Pepys House of Hinchingbrooke School. I have an elder brother named Ian who followed our father's career path of munition targeting and is currently employed at the NATO Intel Fusion Centre, RAF Molesworth. Our mother died of a paralysis disease in 2002 soon after retirement from over 20 years employment at Hinchingbrooke Hospital and our father (born in Yorkshire of Scots/Irish descent) died of cancer on New Year's day 2015, both are buried at St Mary Magdalene Parish Church, Brampton. For many years my father was a paying member of the Huntingdon Conservative Club, but had crossed over to UKIP.'*

*Seven years ago I was deported from Brazil, having had an eight year absence from the UK. Accompanied on a British Airways flight by 'Chef Delegado' of Police Christiano Bath, his girlfriend, a second Police Officer and Dr Marco (Psychologist to the State Penitentiary of Santa Catarina), this tour party then taking a holiday in the Saint George Hotel, Pimlico. A representative of the British Consulate of Sao Paulo informed me at Gaurulos Airport that I was to be met by my father at Heathrow Airport. However, on arrival in London I was met by airport social services who provided me with a bag of clothes and £30, a gift from my father and was informed that I am not welcome at the family home in Brampton.*

*Three periods of Brazilian incarceration (I escaped twice from a secure Psychiatric Hospital) were inflicted due to my attempt on the 22nd September 2010 to update a 'Statement of My Activities' that had been received by Chief Delegado Christiano Bath at the request of the British Foreign Office early March 2009.*

*During my residency at the State Penitentiary of Santa Catarina I wrote a book and was visited by representatives of the Jehovah Witnesses and Captain Carlos Lima a Public Relations Officer to the Brazilian Army who introduced me to a Catholic Priest and we spoke of the Catholic Saint Francis de Assisi. The main purpose of my second escape from 'Colonia Santana Psychiatric Hospital' was to salvage from Falvella a body of artwork titled 'Time Tunnel – Atari Alliance', Captain Lima kindly returned this artwork to me and it is still in my possession here in Huntingdon.'*

Presentation to the Conservative Party culminated in the spring of this year with receipt by email on the 19<sup>th</sup> March from current Huntingdon MP Ben Obese-Jecty, whose response declared that he was unable to respond to any further correspondence that relates to *Establishing the Los Angeles Embassy to Significant Religious Object*. My reaction to this was request for assistance from Chief Constable Nick Dean of Cambridgeshire Constabulary HQ see USB pen drive folder <Letters of Introduction/British Government - Cambridgeshire Police 7>.

Since receiving MP Ben Obese-Jecty's response, presentation has been prepared for the House of Lords and Lord Malcolm Ian Sinclair Earl of Caithness, previous presentation for Lord Andrew Lloyd Webber had been delivered to Huntingdon Conservatives in November 2021 - see USB pen drive folder <Letters of Introduction/British Government - Andrew Lloyd Webber>.

Presentation intended to *Establish the Los Angeles Embassy to Significant Religious Object* now includes fully revised edition of dossier supplement *Battlestar Galactica and the Anti-Rockefeller Agenda* available for your review online at [www.apollobath.org](http://www.apollobath.org) – link – *Crown Office and Embassy* and fully revised edition of dossier supplement *Jupiter Moon and Dismantling the Deep State* available in USB pen drive folder <Establishing Los Angeles Embassy/Restricted> also video *Chemtrails and the Wormwood – A Heavy Metal End* pen drive folder <ApollobathTV/Historical>.

Correspondence with MP Ben Obese-Jecty focussed on mounting a Brazilian expedition party to include British soldiers of the Corps of Royal Engineers and Gurkha regiment together with an engineering contract with the MOD (the Nepalese having similar ethnicity to some peoples of the Andes). It was the consequence of the 1998 death of my maternal grandfather Lt. Col. Lionel Dollery of the Royal Engineers that I re-located to Brazil to further my own engineering career – my Curriculum Vitae is in USB pen drive folder <Curriculum Graeme Parker>.

On my first meeting during 2011 with Captain Carlos Lima PR Officer to the Florianopolis Command of the 14th Motorized Infantry Brigade he informed me that he was a Freemason, Captain Lima has since retired from the Brazilian army and went on to pursue a political career. Subsequent correspondence to he and the Masonic Lodges of Florianopolis and Johannesburg are archived in USB pen drive folder <Letters of Introduction/Masonic Lodges and Armed Forces>.

Hereby, requesting assistance from the family Trump and their expertise in the Casino gaming industry. This letter archived at [www.apollobath.org/Letters of Introduction/Royal Families](http://www.apollobath.org/Letters of Introduction/Royal Families).

Dossier supplement *Jupiter Moon and Dismantling the Deep State* concludes with the story of a Venezuelan Baseball Star receiving a Lightsabre. Last year I took up Baseball with Cornwall's Truro Blue Jays and am inviting assistance from Huntingdon Freemasons to return to Venezuela for winter training.

## BASE-BAAL

Baseball is an occult Masonic ritual where even most of the players aren't aware of their actual role in the ritual itself, nor does the unaware audience of the masses watching the game/ritual from home or at the stadium.

The field is all about Masonic geometry that is based on the principle of 6 that represents the ego, and the game is entirely based upon the number 3 that represents the Babylonian trinity of Nimrod, Semiramis and Tammuz.

Cleopatra's chosen Venezuelan Baseball Star re-locates to Japan and the Hiroshima Toyo Carp team and converts to Jedism while having a Samurai love affair and receives a Lightsaber.

As an industrialist I also wish to return to the business of communicating engineering projects internationally and am seeking support from Huntingdon Freemasons in promoting the local composite fibre industry, see USB pen drive folder <Letters of Introduction/British Consulate of Sao Paulo – CentauriReboot>

Hope to hear from anyone soon!

Kind regards
